Do you like playing football? Why not give us a call?

Spartak is a local, successful youth football club that offers affordable football for both boys and girls aged 4 to 18 years.

All coaches are CRB checked and qualified to at least FA Level 1.

Our teams play in the Cambridgeshire Mini League.

Training for age groups U6 – U10 is on Saturday mornings at Herberts Farm Playing Fields, Debden Road, Saffron Walden.

We are especially looking for more players in School Years One and Two to complement our talented group of U6 and U7 players.

Spartak believe that football should be fun-based in to help with the child's development and all are welcome, regardless of ability.
